The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the body so they do not occur again in future years.

### Section 1 - Trust Funds Disclosure Note

#### *What is the issue?*

The council has not answered box 14 in error in Section 1 of the annual return. We believe based on prior years information that the council should have answered 'N/a' for both years.

#### *Why has this issue been raised?*

The disclosure on the annual return has not been completed, as we believe that the council is not the sole trustee of any charities.

#### *What do we recommend you do?*

The council should ensure in future years that it answers 'No', that the council does not act as the sole trustee for and is not responsible for managing trust funds or assets.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in Wales - A Practitioners' Guide, OVW/SLCC

### Minor issues

#### *What is the issue?*

The following issue(s) has been raised as the comparatives have been changed:

The comparative figures disclosed in Section 1 of the Annual Return do not agree to the audited Annual Return for last year. We believe the figures have been input in error but the error does not affect the balance carried forward into the current year.

#### *Why has this issue been raised?*

This is raised to bring the matter to the attention of readers of the annual return.

#### *What do we recommend you do?*

No further action is required.
